CODEBREAKER

Needed: Paper and pencil

To play: Take out the stack of Codebreaker cards and turn them face down. Then take a piece of notebook paper and a pen and get ready to help Batman and Robin break the code!

Draw a card. Use the table on the left to decipher (figure out) the code. Write the number of the card and the word. When you have completed ten words, check them against the answer sheet and then take your list to your teacher, or the aide and read the words.
